From the A3

Exit the A3 at the Compton/Godalming exit. Take the B3000 through Compton village and follow the road onwards, eventually passing over a humpback bridge and arriving at the junction with the A3100.

Turn left (1st exit) at the roundabout and the entrance to Riverway Estate is immediately on your right before the petrol station.

Drive onto the estate, and on reaching the mini-roundabout turn left.

Follow the road around to the end of the estate where you will see a car park and a bungalow in front of you. Entry to the front car park is between the bungalow (on the left) and our building (on the right).
